- Any portion of the MediVault not transferred to the Wallet during a benefit year will not carry over to the next year.
- The maximum loan amount available in the MediVault may only be utilised once during a benefit year. Repayment of the loan will not result in the loan becoming available again. (i.e. the MediVault facility will not be based on a revolving credit basis).
- The loan is **only** activated once the member instructs the Scheme to transfer an amount from the member's MediVault to the member's Wallet, or when the member selects a Fixed option.

- If a dependant is terminated off the membership, the amount available in the MediVault will be recalculated according to the new Family Size and Composition.
- If, at the time of termination of the dependant, the member has transferred an amount to his Wallet greater than the recalculated MediVault amount, no further transfers will be allowed, however the member will still be required to repay all amounts transferred to the member's Wallet.
- If the member has not utilised more than the recalculated MediVault Benefit, the recalculated MediVault Benefit will be allocated as the new MediVault limit. The new MediVault available balance will be the recalculated MediVault Benefit minus the amounts transferred to the Wallet during the benefit year.

- Where there is an option upgrade that takes place during the benefit year, to an option which also offers the MediVault Benefit, the MediVault Benefit will be recalculated according to the new benefit option.
